where hope grows

An unexpected journey. An unexpected friendship.

Calvin Campbell is a former professional baseball player sent to an early retirement due to his panic attacks at the plate. Even though he had all the talent for the big leagues, he struggles with the curveballs life has thrown him. Today, he mindlessly sleepwalks through his days and the challenge of raising his teenage daughter. His life is in a slow downward spiral when it is suddenly awakened and invigorated by the most unlikely person—Produce, a young man with Down Syndrome who works at the local grocery store.

Calvin slowly loses the chip on his shoulder as he begins to experience the world through Produce's eyes. Faith, work, purpose, and most importantly family, blossom into Calvin's life as their friendship develops. The unlikely pair becomes intertwined, giving Calvin's life new meaning and purpose, but unfortunately leads to tragedy due to a single decision echoed from Calvin's past.

WHERE HOPE GROWS is a story of finding redemption through faith, hope and love.
